

ENVIRONMENTAL, SUSTAINABILITY AND SOCIAL RESPONSIBILITY POLICY

Integrated Card Solutions Ltd is committed to protecting local and global environments and to ensure that activities are carried out in a sustainable and socially responsible way.

To meet this policy aim we currently:

- keep abreast of all new environmental legislation and regulations
- comply with all environmental legislation and regulations
- minimise energy use and its associated CO2 emissions
- minimise the generation of waste
- maximise the re-use of materials and products
- maximise the use of recycled materials and products
- maximise the recycling of materials and products
- maximise the use of material from renewable sources
- minimise polluting emissions to air, land and water
- minimise the use of polluting forms of transport
- maximise the use of local products and local workforce
- support local events within the environs of our Head Office
- choose an annual charity to support

To further the aims of this policy over the next 5 years we will plan to:

- develop a set of environmental targets and action plans
- provide adequate environmental training for staff
- assess the environmental performance of our suppliers
- maximise the use of renewable energy sources where possible
- minimise raw material consumption
- assess the environmental impacts of all working practices and product manufacture
- assess the whole life environmental performance of all purchases
- review this environmental policy and its actions plans annually with a view to continuous improvement
